

Arctostaphylos x coloradoensis**Mock Bearberry Manzanita**

Dark green leaves with smooth cinnamon-red exfoliating bark. Pink or white flowers appear in late spring followed by a red berry in the fall. Will thrive under evergreen trees. Prefers well-drained soils. Drought tolerant. Plant Select 2005. Full sun to part shade.

Arctostaphylos x coloradoensis ‘Cascade’**Cascade Manzanita**

Dark green leaves with cinnamon-red exfoliating bark. White spring flowers with a tinge of pink. Trailing habit is beautiful in rock gardens or cascading over walls. Will thrive under evergreen trees. Drought tolerant. Prefers well-drained soils. Full sun to part shade.

Mature Height:	1-2’	Flower Color:	White-pink	Fall Color:	
Mature Spread:	3-4’	Flower Season:	April-May	Hardiness:	Zone 5
Available:	#1...\$15				

Arctostaphylos x coloradoensis ‘Chieftan’**Chieftan Manzanita**

More upright and taller than other manzanitas. Dark green leaves with cinnamon-red exfoliating bark. White flowers tinged with pink. Will thrive under evergreen trees. Prefers well-drained soils. Drought tolerant. Full sun to part shade.

Mature Height:	3-4’	Flower Color:	White-pink	Fall Color:	
Mature Spread:	8-10’	Flower Season:	March-April	Hardiness:	Zone 5
Available:	#1...\$15 #2...\$30				

Arctostaphylos x coloradoensis ‘Panchito’**Panchito Manzanita**

Dark green leaves with exfoliating bark and a spreading habit. Will thrive under evergreen trees. Prefers well-drained soils. Drought tolerant. Plant Select 2006. Full sun to part shade.

Mature Height:	1-2’	Flower Color:	Pink-white	Fall Color:	
Mature Spread:	3-5’	Flower Season:	April-May	Hardiness:	Zone 4
Available:	#1...\$15 #2...\$30				

Arctostaphylos uva-ursi ‘Massachusetts’**Massachusetts Kinnikinnick**

Forms a mat of deep green glossy leaves. Produces white flowers with a tinge of pink followed by red berries. Will thrive under evergreen trees. Prefers good drainage and neutral to acidic soils. Part shade.

Mature Height:	6-12”	Flower Color:	White	Fall Color:	
Mature Spread:	4-6’	Flower Season:	April-May	Hardiness:	Zone 3
Available:	#1...\$15				

Arctostaphylos uva-ursi 'Squeek Point'**Squeek Point Kinnikinnick**

Forms a mat of deep green glossy leaves. Will thrive under evergreen trees. Prefers good drainage and neutral to acidic soils. Part shade.

Mature Height:	4-5'	Flower Color:	Pink	Fall Color:	
Mature Spread:	4-5'	Flower Season:	April-May	Hardiness:	Zone 3
Available:	#1...\$15				

Buxus microphylla 'Julia Jane'**Julia Jane Boxwood**

Tolerant of Front Range conditions with bright green foliage. Prefers protection from wind and winter sun. Part shade to shade.

Mature Height:	3-4'	Flower Color:		Fall Color:	
Mature Spread:	3-4'	Flower Season:	N/A	Hardiness:	Zone 4
Available:	#2...\$25				

Buxus sempervirens**Common Boxwood**

Broadleaf evergreen that tolerates shearing and is useful for creating hedges. Best sited where plant will receive protection from winter sun and wind. Prefers good drainage. Part shade to shade.

Mature Height:	3-4'	Flower Color:		Fall Color:	
Mature Spread:	3-4'	Flower Season:	N/A	Hardiness:	Zone 5
Available:	#2...\$25				

Buxus sempervirens v. suffruticosa**True Dwarf Boxwood**

Dense form and texture. Small bright green oval leaves. Part shade to shade.

Mature Height:	2'	Flower Color:		Fall Color:	
Mature Spread:	2'	Flower Season:	N/A	Hardiness:	Zone 5
Available:	#2...\$25				

Cytisus purgans 'Spanish Gold'**Spanish Gold Broom**

Tight, dense habit with bright yellow flowers. Selected from Denver Botanic Gardens. Good resistance to browsing animals. Plant Select 2000. Full sun.

Mature Height:	2-3'	Flower Color:	Yellow	Fall Color:	
Mature Spread:	4-5'	Flower Season:	May-June	Hardiness:	Zone 5
Available:	#5...\$35				

Cytisus scoparius 'Lena'**Lena Broom**

Rounded shrub with slender, nodding branches. Pea-like yellow flowers with ruby red wings. Spray with Wilt Pruf in November to help prevent winter desiccation. Full sun.

Mature Height:	3-4'	Flower Color:	Yellow-red	Fall Color:	
Mature Spread:	3-4'	Flower Season:	May-June	Hardiness:	Zone 5
Available:	#2...\$25				

Daphne x burkwoodii 'Carol Mackie'**Carol Mackie Daphne**

Densely branched shrub with variegated foliage. Fragrant blooms. Does best in dry, well drained, cool soil. Part shade to shade.

Mature Height:	2-3'	Flower Color:	Pink	Fall Color:	
Mature Spread:	3-4'	Flower Season:	April-May	Hardiness:	Zone 4
Available:	#2...\$39				

Ephedra equisetina**Bluestem Joint Fir**

Native to Russia and Asia. Leafless blue stems produce insignificant flowers followed by red berries on female plants. Not browsed by deer. Extremely heat and drought tolerant. Plant Select 2004. Full sun.

Mature Height:	3-4'	Flower Color:		Fall Color:	
Mature Spread:	5-8'	Flower Season:	N/A	Hardiness:	Zone 5
Available:	#5...\$35				

Euonymus fortunei 'Coloratus'**Purple Leaf Wintercreeper Euonymus**

Good for groundcover, but will climb with support. Dark green in summer turning purple-red in winter. Part shade to shade.

Mature Height:	8-18"	Flower Color:		Fall Color:	
Mature Spread:	4-6'	Flower Season:	N/A	Hardiness:	Zone 4
Available:	#1...\$15				

Euonymus fortunei 'Emerald Gaiety'**Emerald Gaiety Euonymus**

Dark green foliage with pronounced white margins that develop a pink tinge during the winter. Forms a dense mounding shrub. Low maintenance to keep its shape. Full sun to shade.

Mature Height:	3-4'	Flower Color:		Fall Color:	
Mature Spread:	3-4'	Flower Season:	N/A	Hardiness:	Zone 5
Available:	#2...\$25				

Euonymus fortunei 'Moonshadow'**Moonshadow Euonymus**

Glossy leaves with bright yellow centers and dark green margins. Evergreen plant that will add color all year to your plantings. Full sun to shade.

Mature Height:	2-3'	Flower Color:		Fall Color:	
Mature Spread:	3-4'	Flower Season:	N/A	Hardiness:	Zone 4
Available:	#2...\$25				

Euonymus kiautschovica 'Manhattan'**Manhattan Euonymus**

Glossy dark green leaves on an upright shrub. Best with protection from winter sun. Part shade to shade.

Mature Height:	4-6'	Flower Color:		Fall Color:	
Mature Spread:	4-6'	Flower Season:	N/A	Hardiness:	Zone 5
Available:	#5...\$35				

Genista lydia**Hardy Dwarf Broom**

Profuse yellow flowers smother the shrub in late spring. Provides nice cascading effect around boulders or over ledges. Evergreen arching stems look great in winter. Full sun.

Mature Height:	1'	Flower Color:	Yellow	Fall Color:	
Mature Spread:	3-4'	Flower Season:	May-June	Hardiness:	Zone 5
Available:	#1...\$15				

Hesperaloe parviflora**Texas Red Yucca**

Forms a clump of stiff, leathery, gray-green leaves. Moderate grower with spectacular 5-6' tall flower stalks. Requires good drainage. Attracts butterflies and hummingbirds. Full sun.

Mature Height:	3-5'	Flower Color:	Coral-rose	Fall Color:	
Mature Spread:	2-3'	Flower Season:	July-September	Hardiness:	Zone 5
Available:	#5...\$35				

Ilex x meserveae 'Blue Girl'**Blue Girl Holly**

Dark blue-green foliage with blue-purple stems. Produces a heavy set of bright red berries if a male plant is nearby. Part shade to shade.

Mature Height:	4-5'	Flower Color:		Fall Color:	
Mature Spread:	4-6'	Flower Season:	N/A	Hardiness:	Zone 4
Available:	#2...\$25				

Ilex x meserveae 'Blue Prince and Princess'**Blue Prince and Princess Holly**

Broad, shrubby habit. Dark blue-green foliage with blue-purple stems. Male and female plants grown in the same pot producing abundant bright red berries. Part shade to shade.

Mature Height:	3-4'	Flower Color:		Fall Color:	
Mature Spread:	6-8'	Flower Season:	N/A	Hardiness:	Zone 5
Available:	#5...\$35				

Ilex x meserveae 'Mesdob'**China Boy Holly**

Glossy green leaves that 'cup' under on dense, rounded shrub. Part shade to shade.

Mature Height:	3-4'	Flower Color:		Fall Color:	
Mature Spread:	5-8'	Flower Season:	N/A	Hardiness:	Zone 5
Available:	#5...\$35				

Ilex x meserveae 'Mesog'**China Girl Holly**

Glossy green leaves that 'cup' under on dense, rounded shrub. Produces red fruit with pollinator. Part shade to shade.

Mature Height:	3-4'	Flower Color:		Fall Color:	
Mature Spread:	5-8'	Flower Season:	N/A	Hardiness:	Zone 5
Available:	#5...\$35				

Ilex x meserveae 'Hachfee'**Castle Spire Holly**

A beautiful new compact, pyramidal blue holly with large lustrous dark green leaves and bright red berries. Part shade to shade.

Mature Height:	8-10'	Flower Color:		Fall Color:	
Mature Spread:	3-4'	Flower Season:	N/A	Hardiness:	Zone 5
Available:	#3...\$30				

Ilex x meserveae 'Heckenstar'**Castle Wall Holly**

Male blue holly with a wide columnar shape. Beautiful classic holly-shaped leaves. Part shade to shade.

Mature Height:	5-8'	Flower Color:		Fall Color:	
Mature Spread:	3'	Flower Season:	N/A	Hardiness:	Zone 5
Available:	#3...\$30				

Ilex x meserveae 'Honey Maid'**Honey Maid Holly**

Variegated leaves with creamy yellow margins. Grown primarily for foliage, but will produce red berries. Part shade to shade.

Mature Height:	3-4'	Flower Color:		Fall Color:	
Mature Spread:	4-5'	Flower Season:	N/A	Hardiness:	Zone 5
Available:	#5...\$35				

Mahonia aquifolium**Oregon Grape Holly**

Spiny-toothed, glossy evergreen leaves on an upright shrub. Small blue-black fruit. Spreads by underground stems. Prefers north or east exposure. Deer resistant. Part shade to shade.

Mature Height:	4-6'	Flower Color:	Yellow	Fall Color:	Burgundy
Mature Spread:	3-5'	Flower Season:	May	Hardiness:	Zone 5
Available:	#5...\$35				

Mahonia aquifolium 'Compactum'**Compact Oregon Grape Holly**

Similar to Oregon Grape Holly, but a more compact plant. Part shade to shade.

Mature Height:	2-3'	Flower Color:	Yellow	Fall Color:	Burgundy
Mature Spread:	4-5'	Flower Season:	May	Hardiness:	Zone 5
Available:	#5...\$35				

Mahonia repens**Creeping Grape Holly**

Native groundcover spreads through underground stolons. Evergreen leaves turn red in the fall. Blue berries in late summer. Deer resistant. Part shade to shade.

Mature Height:	12-18"	Flower Color:	Yellow	Fall Color:	Red
Mature Spread:	3-4'	Flower Season:	May	Hardiness:	Zone 4
Available:	#1...\$15				

Rhododendron x 'Nova Zembla'**Nova Zembla Rhododendron**

Evergreen with glossy green foliage. Requires acidic, moist, well-drained soil. Protect from hot, dry winds. Part shade to shade.

Mature Height:	3-5'	Flower Color:	Red	Fall Color:	
Mature Spread:	3-5'	Flower Season:	May	Hardiness:	Zone 4
Available:	#5...\$50				

Taxus x media 'Tauntonii'**Taunton Yew**

Upright spreading habit. Glossy dark green foliage. Tolerates shearing. Protect from bright sun and wind. Part shade to shade.

Mature Height:	3-4'	Flower Color:		Fall Color:	
Mature Spread:	4-5'	Flower Season:	N/A	Hardiness:	Zone 4
Available:	#5...\$40				

Yucca filamentosa 'Bright Edge'**Bright Edge Yucca**

Variegated form with yellow stripes along margins of leaves. Margins of leaves have curling filaments. Tall flower spikes. Prefers full sun and well drained soil.

Mature Height:	3-4'	Flower Color:	Cream-white	Fall Color:	
Mature Spread:	2-3'	Flower Season:	July	Hardiness:	Zone 5
Available:	#5...\$35				

Yucca glauca**Soapweed Yucca**

Native to Rocky Mountains. Sharply pointed leaves with curling fibers on leaf margins. Large, 3-4' flower spikes. Full sun.

Mature Height:	2-3'	Flower Color:	White	Fall Color:	
Mature Spread:	3-4'	Flower Season:	May	Hardiness:	Zone 4
Available:	#5...\$35				

Yucca rostrata 'Sapphire Skies'**Sapphire Skies Yucca**

Stunning powder blue-leaved selection of the species introduced by Sean Hogan of Cistus Nursery. Matures to an upright, unbranched tree. Plant in full sun and well-drained soil.

Mature Height:	8-10'	Flower Color:	Cream-white	Fall Color:	
Mature Spread:	2-3'	Flower Season:	May	Hardiness:	Zone 5
Available:	#3...\$30
