

Acer ginnala 'Flame'**Flame Amur Maple**

Flame is a seed source selection of Amur Maple chosen for its improved form and consistent fall color.

Mature Height:	15-20'	Flower Color:		Fall Color:	Scarlet
Mature Spread:	15-20'	Flower Season:	N/A	Hardiness:	Zone 3
Available:	#5...\$40				

Amelanchier alnifolia 'Regent'**Regent Serviceberry**

Selection of Saskatoon Serviceberry, but with more compact form. Large white flowers in late spring. Sets edible fruit in early summer, making excellent bird food. Nice fall color. Full sun to part shade.

Mature Height:	4-6'	Flower Color:	White	Fall Color:	Yellow-red
Mature Spread:	4-6'	Flower Season:	April-May	Hardiness:	Zone 2
Available:	#5...\$35				

Aronia arbutifolia 'Brilliantissima'**Red Chokeberry**

Excellent fall color with red fruits which persist into winter. Full sun to part shade.

Mature Height:	6-8'	Flower Color:	White	Fall Color:	Scarlet
Mature Spread:	4-6'	Flower Season:	May	Hardiness:	Zone 4
Available:	#5...\$35				

Artemisia tridentata**Tall Western Sage**

Native shrub that tolerates dry conditions and poor soils. Very aromatic silver-gray foliage. Full sun.

Mature Height:	3-8'	Flower Color:	Yellow	Fall Color:	Evergreen
Mature Spread:	3-6'	Flower Season:	August-September	Hardiness:	Zone 3
Available:	#5...\$35				

Berberis thunbergii 'Bogozam'**Bonanza Gold Barberry**

Beautiful bright yellow foliage is an exciting light-filled accent. Tidy compact form with spreading habit is versatile for filling out planting areas in groups or masses. Part shade.

Mature Height:	2'	Flower Color:	Yellow	Fall Color:	Orange-red
Mature Spread:	2-3'	Flower Season:	May	Hardiness:	Zone 4
Available:	#3...\$30				

Berberis thunbergii 'Helmond Pillar'**Helmond Pillar Barberry**

Unique barberry that forms a vertical column of rich burgundy foliage. Adds instant drama as a focal point or structural element in beds and borders. Plant in full sun for best foliage color.

Mature Height:	4-5'	Flower Color:	Yellow	Fall Color:	Orange-red
Mature Spread:	2'	Flower Season:	May	Hardiness:	Zone 4
Available:	#2...\$25				

Berberis thunbergii 'Rose Glow'**Rose Glow Barberry**

First leaves are purple, but new shoots emerge as a rose-pink mottled with bronzish to purplish-red splotches. Red fruits appear in fall and hold on through the winter. Sun to part shade.

Mature Height:	3'	Flower Color:	Yellow	Fall Color:	Red
Mature Spread:	3'	Flower Season:	May	Hardiness:	Zone 4
Available:	#5...\$35				

Buddleia alternifolia 'Argentea'**Silver Fountain Butterfly Bush**

Large shrub with fountain like habit. Finely textured blue-gray to silver foliage. Fragrant flowers spiral along the previous years branches. Very attractive to butterflies. Full sun.

Mature Height:	8-10'	Flower Color:	Purple	Fall Color:	
Mature Spread:	6-8'	Flower Season:	June	Hardiness:	Zone 4
Available:	#5...\$35				

Buddleia davidii 'Adonis Blue'**Adonis Blue Butterfly Bush**

Part of the English Butterfly Series. Silver-gray foliage with deep blue fragrant flowers on a compact plant. Cut back to 6-8" in early spring. Full sun.

Mature Height:	4-5'	Flower Color:	Blue	Fall Color:	
Mature Spread:	3-4'	Flower Season:	July-September	Hardiness:	Zone 5
Available:	#3...\$30				

Buddleia davidii 'Black Knight'**Black Knight Butterfly Bush**

Fragrant mid-summer flower spikes attract butterflies. Flowers on new wood and is best to cut 6-8" from the ground in early spring. Full sun.

Mature Height:	6-8'	Flower Color:	Dark purple	Fall Color:	
Mature Spread:	5-6'	Flower Season:	July-September	Hardiness:	Zone 5
Available:	#3...\$30				

Buddleia davidii 'Royal Red'**Royal Red Butterfly Bush**

Fragrant mid-summer flower spikes attract butterflies. Flowers on new wood and is best to cut 6-8" from the ground in early spring. Full sun.

Mature Height:	6-8'	Flower Color:	Red-purple	Fall Color:	
Mature Spread:	5-6'	Flower Season:	July-September	Hardiness:	Zone 5
Available:	#3...\$30				

Caragana frutex ‘Globosa’**Globe Peashrub**

Tight, round shape provides a boxwood like appearance. Showy yellow pea-like flowers. Adaptable, very cold hardy. Useful as a low formal hedge or small specimen. Drought tolerant. Full sun.

Mature Height:	2-3’	Flower Color:	Yellow	Fall Color:	
Mature Spread:	2-3’	Flower Season:	May	Hardiness:	Zone 2
Available:	#2...\$25				

Caryopteris x clandonensis ‘Blue Mist’**Blue Mist Spirea**

Silvery-green foliage with an upright habit. Flowers are a favorite with bees. Best pruned 6-8” from the ground in early spring. Deer resistant and drought tolerant. Full sun.

Mature Height:	3-4’	Flower Color:	Blue	Fall Color:	
Mature Spread:	3-4’	Flower Season:	July-September	Hardiness:	Zone 5
Available:	#2...\$20 #5...\$35				

Caryopteris x clandonensis ‘Dark Knight’**Dark Knight Spirea**

Darker gray-green foliage and flowers than 'Blue Mist'. Foliage is aromatic when brushed with a hand. Flowers are very attractive to bees. Drought tolerant. Full sun.

Mature Height:	3-4’	Flower Color:	Blue-purple	Fall Color:	
Mature Spread:	3-4’	Flower Season:	July-September	Hardiness:	Zone 5
Available:	#5...\$35				

Cercocarpus intricatus**Little Leaf Mountain Mahogany**

Native to the Western Slope of Colorado with dense, stiff, intertwining branches on a rounded shrub. Tiny, almost needle-like evergreen leaves. Very drought tolerant and slow growing. Full sun.

Mature Height:	3-5’	Flower Color:		Fall Color:	Evergreen
Mature Spread:	3-5’	Flower Season:	N/A	Hardiness:	Zone 4
Available:	#2...\$25				

Cercocarpus ledifolius**Curl Leaf Mountain Mahogany**

Southwestern native with small lance-shaped leathery leaves which are generally retained in winter. Responds to shearing very well. Attractive fuzzy seeds. Very drought tolerant. Full sun.

Mature Height:	10-20’	Flower Color:		Fall Color:	Evergreen
Mature Spread:	8-12’	Flower Season:	N/A	Hardiness:	Zone 4
Available:	#5...\$35				

Chaenomeles speciosa ‘Texas Scarlet’**Texas Scarlet Quince**

Glossy green foliage appears after a profusion of early spring apple blossom-like flowers. Produces large greenish-yellow fruit. Tends to have fewer thorns than most quince.

Mature Height:	3-4’	Flower Color:	Scarlet	Fall Color:	
Mature Spread:	4-6’	Flower Season:	April	Hardiness:	Zone 5
Available:	#5...\$35				

Chamaebatiaria millefolium**Fernbush**

Fragrant, fern-like foliage provides a fine texture. Native to the western United States. Deer resistant. Very drought tolerant. Full sun.

Mature Height:	4-6'	Flower Color:	White	Fall Color:	
Mature Spread:	4-6'	Flower Season:	June-August	Hardiness:	Zone 5
Available:	#5...\$35				

Chrysothamnus nauseosus nauseosus**Dwarf Blue Rabbitbrush**

Semi-evergreen native shrub that tolerates poor soils and very dry conditions. Deer resistant. Full sun.

Mature Height:	2-3'	Flower Color:	Yellow	Fall Color:	
Mature Spread:	3-4'	Flower Season:	August-September	Hardiness:	Zone 3
Available:	#5...\$35				

Cornus alba 'Bailhalo'**Ivory Halo Dogwood**

Compact selection of variegated dogwood that is very useful for smaller, shady areas. Stems of this shrub have great winter interest due to the red color. Prune out oldest stems to keep vibrant red color. Part shade to shade.

Mature Height:	5-6'	Flower Color:	White	Fall Color:	
Mature Spread:	5-6'	Flower Season:	May-June	Hardiness:	Zone 3
Available:	#5...\$35				

Cornus baileyi**Red Twig Dogwood**

Excellent red stem dogwood that provides beautiful color in winter. Prune out oldest stems to keep vibrant red stems. Porcelain-blue fruits. Full sun to part shade.

Mature Height:	8-10'	Flower Color:	White	Fall Color:	Red-purple
Mature Spread:	8-10'	Flower Season:	May	Hardiness:	Zone 3
Available:	#5...\$35				

Cornus sericea 'Isanti'**Isanti Dogwood**

Compact form of Red Twig Dogwood. Provides beautiful color in winter. Prune out oldest stems to keep vibrant red stems. Abundant white fruit in fall. Full sun to part shade.

Mature Height:	5-6'	Flower Color:	White	Fall Color:	Red-purple
Mature Spread:	8-10'	Flower Season:	May	Hardiness:	Zone 3
Available:	#5...\$35				

Cornus sericea 'Kelsey'**Kelsey Redtwig Dogwood**

Compact, round shape makes this plant useful in limited space situations. Showy red stems in winter. Clusters of small white flowers followed by white fruit. Full sun to part shade.

Mature Height:	2-3'	Flower Color:	White	Fall Color:	Red-purple
Mature Spread:	2-3'	Flower Season:	May	Hardiness:	Zone 3
Available:	#5...\$35				

Cotinus coggygia 'Royal Purple'**Royal Purple Smokebush**

Panicles of small, insignificant flowers give it a smoke-like appearance. Purple leaf color is best in full sun.

Mature Height:	8-12'	Flower Color:	Light pink	Fall Color:	Red-purple
Mature Spread:	8-12'	Flower Season:	July-August	Hardiness:	Zone 5
Available:	#5...\$40				

Cotoneaster apiculatus**Cranberry Cotoneaster**

Excellent low form with spreading, arching branches displaying an interesting herringbone pattern. Small pinkish flowers in late spring give way to red berries which persist into winter.

Mature Height:	2-3'	Flower Color:	Light pink	Fall Color:	Orange-red
Mature Spread:	4-6'	Flower Season:	June	Hardiness:	Zone 5
Available:	#3...\$30				

Cotoneaster lucidus**Hedge Cotoneaster**

Glossy dark green foliage with excellent fall color. Upright growth and inconspicuous pink flowers. Small black berries in fall. Good for screening and tolerates shearing well. Full sun to part shade.

Mature Height:	6-8'	Flower Color:	Light pink	Fall Color:	Orange-red
Mature Spread:	5-8'	Flower Season:	May	Hardiness:	Zone 2
Available:	#5...\$35				

Euonymus alata 'Compactus'**Dwarf Burning Bush**

Excellent for hedges with brilliant red fall color. Full sun to part shade.

Mature Height:	5-6'	Flower Color:		Fall Color:	Red
Mature Spread:	5-8'	Flower Season:	N/A	Hardiness:	Zone 4
Available:	#5...\$35				

Fallugia paradoxa**Apache Plume**

Fine textured western native. Wonderful choice for dry, sunny locations. Rose-like white flowers followed by attractive feathery silver-pink seed heads that persist throughout summer.

Mature Height:	3-5'	Flower Color:	White	Fall Color:	
Mature Spread:	3-5'	Flower Season:	May	Hardiness:	Zone 3
Available:	#5...\$35				

Forsythia x 'Northern Gold'**Northern Gold Forsythia**

Excellent bud hardiness, producing golden yellow flowers to the tops of the branches. Full sun to part shade.

Mature Height:	6-8'	Flower Color:	Yellow	Fall Color:	
Mature Spread:	5-7'	Flower Season:	April	Hardiness:	Zone 3
Available:	#5...\$35				

Hibiscus syriacus 'Blue Satin'**Blue Satin Rose of Sharon**

Large, single rich blue flowers with magenta throats. Full sun to part shade.

Mature Height:	8-10'	Flower Color:	Blue	Fall Color:	Yellow
Mature Spread:	6-8'	Flower Season:	July-September	Hardiness:	Zone 5
Available:	#5...\$35				

Hibiscus syriacus 'Lucy'**Lucy Rose of Sharon**

Double deep rose flowers. Full sun to part shade.

Mature Height:	8-10'	Flower Color:	Deep rose	Fall Color:	Yellow
Mature Spread:	6-8'	Flower Season:	July-September	Hardiness:	Zone 5
Available:	#5...\$35				

Hibiscus syriacus 'Red Heart'**Red Heart Rose of Sharon**

White flowers with red eye. Foliage late to emerge in spring. Full sun to part shade.

Mature Height:	8-10'	Flower Color:	White	Fall Color:	Yellow
Mature Spread:	6-8'	Flower Season:	July-September	Hardiness:	Zone 5
Available:	#5...\$35				

Hydrangea arborescens 'Annabelle'**Annabelle Hydrangea**

Large, snowball-like flowers on a plant which blooms on new wood. Cut back to the ground in spring for best flowering. Excellent hydrangea for cold climates and makes a great cut flower. Part shade to shade.

Mature Height:	3-4'	Flower Color:	White	Fall Color:	Yellow
Mature Spread:	3-4'	Flower Season:	June-July	Hardiness:	Zone 3
Available:	#3...\$30				

Hydrangea arborescens 'Incrediball'**Incrediball Hydrangea**

Exciting new hydrangea that produces massive 12" white blooms that are held upright on sturdy stems. Blooms emerge an attractive lime green, change to white and age to green. Part shade to shade.

Mature Height:	3-4'	Flower Color:	White	Fall Color:	Yellow
Mature Spread:	3-4'	Flower Season:	June-August	Hardiness:	Zone 3
Available:	#2...\$30				

Hydrangea arborescens ‘Invincibelle’**Invincibelle Spirit Hydrangea**

First ever pink-flowered form of *Hydrangea arborescens*. Flower buds are produced on new wood, so it will still produce flowers even if the stems die back to the ground by extreme weather. Part shade to shade.

Mature Height:	3-4’	Flower Color:	Pink	Fall Color:	Yellow
Mature Spread:	3-4’	Flower Season:	June-August	Hardiness:	Zone 3
Available:	#2...\$30				

Hydrangea paniculata ‘Grandiflora’**Pee Gee Hydrangea**

Large double white flower panicles mature to a pink-bronze towards autumn. Flowers on new wood. Flowers are excellent for dried arrangements. Part shade.

Mature Height:	4-6’	Flower Color:	White	Fall Color:	
Mature Spread:	4-6’	Flower Season:	July-August	Hardiness:	Zone 3
Available:	#5...\$35				

Hydrangea quercifolia ‘Pee Wee’**Pee Wee OakLeaf Hydrangea**

Compact form of Oakleaf Hydrangea. Like other Oakleaf Hydrangeas, Pee Wee blooms on old wood and if pruning is necessary it should be done immediately after flowering. Part shade to shade.

Mature Height:	3’	Flower Color:	White	Fall Color:	Burgundy
Mature Spread:	4-5’	Flower Season:	July-September	Hardiness:	Zone 5
Available:	#3...\$30				

Ligustrum x vicaryi**Golden Vicary Privet**

Golden yellow foliage. Ideal for use as a hedge or contrast plant. Full sun to part shade.

Mature Height:	6-8’	Flower Color:		Fall Color:	Bronze
Mature Spread:	5-6’	Flower Season:	N/A	Hardiness:	Zone 4
Available:	#5...\$35				

Ligustrum vulgare ‘Cheyenne’**Cheyenne Privet**

Upright, rapid grower with extremely fragrant small flowers. Takes shearing well, making it an excellent shrub for screens and hedges. Fruit is poisonous. Full sun to part shade.

Mature Height:	8-16’	Flower Color:	White	Fall Color:	
Mature Spread:	4-8’	Flower Season:	June	Hardiness:	Zone 3
Available:	#5...\$35				

Ligustrum vulgare 'Lodense'**Lodense Privet**

Excellent low growing hedge plant with glossy green foliage. Fruit is poisonous. Full sun to part shade.

Mature Height:	3-5'	Flower Color:		Fall Color:	
Mature Spread:	3-4'	Flower Season:	N/A	Hardiness:	Zone 4
Available:	#5...\$35				

Lonicera korolkowi 'Floribunda'**Blue Velvet Honeysuckle**

Light blue foliage matures to a gray-green. Pale pink flowers followed by red berries that attract birds. Plant Select 1999. Full sun.

Mature Height:	8-10'	Flower Color:	Pink	Fall Color:	
Mature Spread:	8-12'	Flower Season:	May-June	Hardiness:	Zone 3
Available:	#5...\$35				

Perovskia atriplicifolia**Russian Sage**

Long lasting bright blue-violet flower spikes appear late summer. Open, feathery habit that is especially effective in mass plantings. Prune back 6-8" from the base in spring. Very drought tolerant. Full sun.

Mature Height:	3-5'	Flower Color:	Blue-violet	Fall Color:	
Mature Spread:	3-5'	Flower Season:	August-September	Hardiness:	Zone 5
Available:	#2...\$20				

Philadelphus lewisii 'Cheyenne'**Cheyenne Mockorange**

Native to western U.S. that produces profuse fragrant white flowers in early summer. Discovered by Meriwether Lewis and named in his honor. Plant Select 2001. Full sun.

Mature Height:	6-9'	Flower Color:	White	Fall Color:	
Mature Spread:	5-8'	Flower Season:	June-July	Hardiness:	Zone 3
Available:	#5...\$35				

Physocarpus opulifolius 'Mindia'**Coppertina Ninebark**

New foliage emerges an attractive copper and matures to a rich red. Small, flattened flowers are white with a pink blush. Cross between Diablo and Dart's Gold. Full sun.

Mature Height:	6-8'	Flower Color:	White	Fall Color:	
Mature Spread:	5-6'	Flower Season:	May-June	Hardiness:	Zone 3
Available:	#2...\$25				

Physocarpus opulifolius ‘Seward’**Summer Wine Ninebark**

Compact branching and fine, deeply cut, dark crimson-red leaves. Pinkish-white flowers really stand out against the dark foliage. Full sun for best color.

Mature Height:	5-6’	Flower Color:	Pinkish-white	Fall Color:	
Mature Spread:	5-6’	Flower Season:	May-June	Hardiness:	Zone 3
Available:	#5...\$35				

Potentilla fruticosa ‘Gold Drop’**Gold Drop Potentilla**

A compact, finely textured shrub that blooms steadily all summer with bright yellow flowers. Medium green foliage. Deer resistant. Full sun.

Mature Height:	2-3’	Flower Color:	Yellow	Fall Color:	
Mature Spread:	2-3’	Flower Season:	June-August	Hardiness:	Zone 3
Available:	#2...\$25				

Potentilla fruticosa ‘Jackman’**Jackman Potentilla**

Larger leafed variety than other potentillas with a more upright habit. Dark green foliage with bright golden-yellow blooms throughout the summer. Deer resistant. Full sun.

Mature Height:	3-4’	Flower Color:	Yellow	Fall Color:	
Mature Spread:	3-4’	Flower Season:	June-August	Hardiness:	Zone 2
Available:	#5...\$35				

Potentilla fruticosa v. davurica**Prairie Snow Potentilla**

Tough and long lived plant that rarely needs pruning to keep it in bounds. Bright green foliage contrasts with long blooming white flowers. One of the best white flowering forms. Full sun.

Mature Height:	1-2’	Flower Color:	Creamy white	Fall Color:	
Mature Spread:	3-4’	Flower Season:	May-August	Hardiness:	Zone 2
Available:	#5...\$35				

Prunus besseyi ‘Pawnee Buttes’**Pawnee Buttes Sandcherry**

Prostrate form that creeps low along the ground. Single, fragrant, white flowers bloom in spring. Prefers hot, dry locations and is perfect for any dryland garden. Plant Select 2000.

Mature Height:	12-18”	Flower Color:	White	Fall Color:	Red
Mature Spread:	6-8’	Flower Season:	May	Hardiness:	Zone 2
Available:	#5...\$35				

Prunus x cistena**Purpleleaf Sandcherry**

Pale pinkish white flowers appear in early spring, followed by reddish-purple foliage on an upright shrub. Nice for color contrast in the landscape. Full sun to part shade.

Mature Height:	8-10'	Flower Color:	Light pink	Fall Color:	
Mature Spread:	6-8'	Flower Season:	April-May	Hardiness:	Zone 3
Available:	#5...\$35				

Prunus tomentosa**Nanking Cherry**

Showy white flowers with a pink blush produced in early spring before the foliage. Edible red fruit attracts birds. Tan-brown bark exfoliates. Full sun.

Mature Height:	8-10'	Flower Color:	White	Fall Color:	
Mature Spread:	10-15'	Flower Season:	April	Hardiness:	Zone 2
Available:	#5...\$35				

Prunus virginiana 'Canada Red'**Canada Red Chokecherry**

New growth emerges bright green and matures to a deep maroon. Fast growing, suckers. Tart, but edible black fruit. Useful for a quick screen. Full sun to part shade.

Mature Height:	15-25'	Flower Color:	White	Fall Color:	
Mature Spread:	15-20'	Flower Season:	May	Hardiness:	Zone 2
Available:	#5...\$35				

Quercus gambelii**Gamble Oak**

Native to the Rocky Mountains with shiny dark green leaves. Fall color is variable among individuals and ranges from red to orange to yellow. Tolerates dry and alkaline soils. Full sun.

Mature Height:	15-20'	Flower Color:		Fall Color:	Yellow-red
Mature Spread:	12-20'	Flower Season:	N/A	Hardiness:	Zone 3
Available:	#5...\$49				

Quercus undulata**Wavyleaf Oak**

Large shrub, small tree that is native to the southern Rocky Mountains. Tolerates dry soils. Thick, leathery leaves with wavy margins. Full sun.

Mature Height:	10-20'	Flower Color:		Fall Color:	
Mature Spread:	10-15'	Flower Season:	N/A	Hardiness:	Zone 4
Available:	#5...\$49				

Rhamnus frangula ‘Fineline’**Fineline Buckthorn**

Combines delicate fernleaf texture with a very upright habit. Great vertical accent for the perennial garden or for narrow hedges. This cultivar produces very few fruit. Full sun.

Mature Height:	5-6’	Flower Color:		Fall Color:	Yellow
Mature Spread:	2-3’	Flower Season:	N/A	Hardiness:	Zone 3

Available: #5...\$35

Rhododendron x ‘Mandarin Lights’**Mandarin Lights Azalea**

Developed at the University of Minnesota Landscape Arboretum. The hardy Lights series of azaleas can withstand very cold temperatures. Needs acidic soil amendment to perform well. Morning sun to part shade.

Mature Height:	3-4’	Flower Color:	Orange	Fall Color:	Bronze
Mature Spread:	3-4’	Flower Season:	April	Hardiness:	Zone 4

Available: #3...\$39

Rhododendron x ‘Northern Lights’**Northern Lights Azalea**

Medium sized flowers in beautiful shades of light to deep pink. Needs acidic soil amendment to perform well. Morning sun to part shade.

Mature Height:	3-4’	Flower Color:	Pink	Fall Color:	Copper-red
Mature Spread:	3-4’	Flower Season:	April	Hardiness:	Zone 4

Available: #3...\$39

Rhododendron x ‘Orchid Lights’**Orchid Lights Azalea**

Dwarf compact form with fine textured leaves and branches. Needs acidic soil amendment to perform well. Morning sun to part shade.

Mature Height:	2-3’	Flower Color:	Lilac	Fall Color:	Yellow
Mature Spread:	2-3’	Flower Season:	April	Hardiness:	Zone 4

Available: #3...\$39

Rhus aromatica ‘Gro-Low’**Gro-Low Fragrant Sumac**

Low spreading form with brilliant fall color. Leaves have a citrus-like fragrance. Excellent for mass plantings as a groundcover or for erosion control. Full sun.

Mature Height:	2-3’	Flower Color:	Yellow	Fall Color:	Scarlet-orange
Mature Spread:	6-8’	Flower Season:	May	Hardiness:	Zone 4

Available: #5...\$35

Rhus glabra ‘Cismontana’**Rocky Mountain Sumac**

Native shrub with shiny dark green leaves that bears decorative red fruit in fall. Suckers to form colonies. Full sun.

Mature Height:	3-6’	Flower Color:		Fall Color:	Red
Mature Spread:	6-10’	Flower Season:	N/A	Hardiness:	Zone 2
Available:	#5...\$35				

Rhus trilobata**Three-leaf Sumac**

Rigid arching branches develop into a dense, rounded shrub on this Rocky Mountain native shrub. Glossy, three-lobed dark green leaves develop nice fall color. Deer resistant. Full sun.

Mature Height:	6-10’	Flower Color:	Yellow	Fall Color:	Red-orange
Mature Spread:	6-8’	Flower Season:	May	Hardiness:	Zone 3
Available:	#5...\$35				

Rhus typhina**Staghorn Sumac**

Large compound leaves create a tropical look. Branches covered in velvety hair, resembling stag’s horn. Crimson fruits appear in fall and persist into winter. Spreads by suckers. Full sun.

Mature Height:	15-20’	Flower Color:		Fall Color:	Red
Mature Spread:	12-16’	Flower Season:	N/A	Hardiness:	Zone 3
Available:	#5...\$35				

Rhus typhina ‘Bailtiger’**Tiger Eyes Sumac**

Beautiful golden leaf form of Cutleaf Staghorn Sumac. Rosy-pink leaf stems stand out against foliage. Does not sucker as much as species. Full sun.

Mature Height:	6-8’	Flower Color:		Fall Color:	Yellow-orange
Mature Spread:	6-8’	Flower Season:	N/A	Hardiness:	Zone 4
Available:	#5...\$35				

Ribes aureum**Golden Currant**

Beautiful deciduous shrub with clove scented tubular yellow flowers in spring. Pea-sized purplish-black fruit attractive to birds. Full sun to part shade.

Mature Height:	4-6’	Flower Color:	Yellow	Fall Color:	Scarlet
Mature Spread:	4-6’	Flower Season:	May	Hardiness:	Zone 3
Available:	#5...\$35				

Ribes aureum ‘Gwen’s Buffalo’**Gwen’s Buffalo Currant**

Selection of the Rocky Mountain native. Fragrant blooms followed by black edible fruit. Tolerates dry conditions. Full sun to part shade.

Mature Height:	5-6’	Flower Color:	Yellow	Fall Color:	Orange-red
Mature Spread:	5-6’	Flower Season:	May	Hardiness:	Zone 3

Available: #5...\$35

Ribes odoratum ‘Crandall Clove’**Crandall Clove Currant**

Native shrub with strongly clove scented flowers. Black edible fruits ripen mid-July with a sweet spicy fragrance. Excellent fruit quality. Full sun to part shade.

Mature Height:	4-6’	Flower Color:	Yellow	Fall Color:	Orange-red
Mature Spread:	4-6’	Flower Season:	April	Hardiness:	Zone 4

Available: #5...\$35

Salix caprea**French Pussy Willow**

Fast growing upright shrub best known for large silvery catkins which appear before the leaves in spring. Grows best in moist soils, but once established does well on drier sites.

Mature Height:	15-20’	Flower Color:	Silver gray	Fall Color:	
Mature Spread:	8-12’	Flower Season:	March	Hardiness:	Zone 4

Available: #5...\$35

Salix purpurea ‘Nana’**Dwarf Arctic Blue Willow**

Blue-green leaves on slender stems with a purplish cast when young. Full sun to part shade with moist conditions.

Mature Height:	6-8’	Flower Color:		Fall Color:	
Mature Spread:	6-8’	Flower Season:	N/A	Hardiness:	Zone 4

Available: #5...\$35

Sambucus canadensis ‘Aurea’**Golden Elderberry**

Rapidly growing shrub with bright golden foliage. Fragrant, white, flat-headed flower clusters followed by black, juicy, edible fruit. More than one plant required for fruit set. Full sun to part shade.

Mature Height:	8-12’	Flower Color:	White	Fall Color:	
Mature Spread:	8-12’	Flower Season:	June	Hardiness:	Zone 3

Available: #5...\$35

Sambucus nigra ‘Eva’**Black Lace Elderberry**

Dark purple, finely cut foliage. Great substitute for Japanese Maple. Excellent specimen plant and works well in large containers. Full sun to part shade.

Mature Height:	8-10’	Flower Color:	Pink	Fall Color:	
Mature Spread:	8-10’	Flower Season:	May-June	Hardiness:	Zone 4

Available: #5...\$35

Spiraea x bumalda 'Anthony Waterer'**Anthony Waterer Spirea**

Flat-topped heads of rose-pink flowers cover the top of this small shrub, backed by bright green foliage. Attractive new growth is reddish purple. Deer resistant. Full sun to part shade.

Mature Height:	2-3'	Flower Color:	Rose-pink	Fall Color:	Red-purple
Mature Spread:	3-4'	Flower Season:	June-July	Hardiness:	Zone 4

Available: #5...\$35

Spiraea x bumalda 'Goldmound'**Goldmound Spirea**

Low-mounded shrub with golden-yellow foliage and pink flowers. Often re-blooms in late summer. Compact shrub good for accent or contrast in the foundation planting or shrub border. Full sun to part shade.

Mature Height:	18-24"	Flower Color:	Pink	Fall Color:	Yellow
Mature Spread:	2-3'	Flower Season:	June-July	Hardiness:	Zone 4

Available: #5...\$35

Spiraea japonica 'Magic Carpet'**Magic Carpet Spirea**

Vibrant red shoots emerge in spring and mature into bronze, red-tipped foliage. Clusters of deep pink flowers cover the plant in early summer. Full sun to part shade.

Mature Height:	18"	Flower Color:	Pink	Fall Color:	Russet-red
Mature Spread:	2'	Flower Season:	May-June	Hardiness:	Zone 3

Available: #2...\$25

Spiraea japonica 'Neon Flash'**Neon Flash Spirea**

New growth is tinted purple turning to green as it ages. Entire plant becomes dark burgundy with cold in autumn. Flowers are bright pink. Full sun to part shade.

Mature Height:	3-4'	Flower Color:	Dark pink	Fall Color:	Burgundy
Mature Spread:	3-4'	Flower Season:	June-July	Hardiness:	Zone 4

Available: #5...\$35
